# Cheltenham Racecourse

From the start of the National Hunt season in the autumn and throughout the long winter there is just one target for every leading horse and rider - The Cheltenham Festival.

Twenty-five races, 230,000 people and prize-money of over £3 million make this the greatest jump race meeting in the world. The Festival has become synonymous with the annual pilgrimage of thousands of Irish racegoers to this beautiful racecourse. An invitation to Cheltenham is rarely refused and provides an ideal opportunity to spend quality time with key customers.

## HOSPITALITY FACILITY

### Platinum Suite - Marquees

Enjoy the racing from the comfort of our luxuriously appointed marquees situated in the hub of the Tented Village, close to the Parade Ring and Grandstand.

This is a very popular facility - there are a choice of two packages (Platinum & Gold), both of which provide great value. The Platinum package also has the added bonus of John Francome, who is our resident celebrity tipster each day.

Bookings of 2 upwards can be made. Private tables are available for bookings of 10-12 guests.

### Glass-fronted Boxes

View the racing from the comfort of a superb glass-fronted box with panoramic balcony views of the last two fences and the finishing straight.

Private boxes accommodate 40 guests, bookings of 2 upwards can be made in our shared box restaurant, where private tables are available for 10 guests.
